

## **Eight things to remember about the EMCCS-FENS meeting**

1. The venue of the meeting is the auditorium of **CosmoCaixa**, a state-of-the-art interactive Science Museum. Attendants to the meeting will have free access to the permanent exhibition as well as a temporary exhibition about Santiago Ramón y Cajal's science and art.
2. The venue is easy to reach by public transportation and is only a few stops away from Plaza Cataluña (the city center and main public transport hub). Several buses stop at the museum entrance. The museum is also close to the local train station **Avenida Tibidabo** (the local train network is connected to the metro network), but up in a hill! It will take 5-10 minutes to reach the place. See public transport information here: <http://emccs.haifa.ac.il/index.php/meetings>
3. The entrance to the museum is restricted. Registered EMCCS members will receive both on Thursday and Friday **free entrance tickets**. EMCCS needs to know the final number of attendants to order that number of tickets. Therefore, if you did not do it yet, **please register for the meeting** in our website: <http://emccs.haifa.ac.il/index.php/membership/member-login/edit-member-profile?view=login>  
  
(IMPORTANT: some of you registered as EMCCS members, but did not register as meeting attendants. If you plan to attend, please login again and indicate that you will attend the meeting in Barcelona).
4. On Thursday evening we will have our traditional **posters and wine&cheese session**. If you plan to present a poster, please register the abstract because space will be limited. Place your poster at **17:30**. Wine&Cheese will start at 18:00. If you arrive to the museum earlier you will have some time to visit the exhibitions!
5. On Friday, we will have a program full of exciting science and great speakers. Our sponsors will cover the two coffee breaks, but attendants will have to pay the lunch by themselves. You can have **lunch** outside the museum or in the museum cafeteria. The cafeteria will offer a special menu price to EMCCS members: 11.30 EUR (regular 14.80 EUR). One more reason to register in our website.
6. EMCCS will hold a **General Assembly** on Friday at 12.20, just before lunch. As indicated by our President, important decisions concerning the future of our Society will be made. Do not miss it.
7. **Speakers** should provide their presentations before the start their session to prevent any delay between talks. Please have it ready in a pen drive.
8. Forward this information to colleagues that could be interested in attending the meeting and remember to have a **great time** and productive scientific discussion during the meeting!
